- » Certified and credentialed as a DME and Rx supplier in all 50 states

### Broad Portfolio of Diabetes Products & Supplies, Offering all Brand Names:

- » Continuous Glucose Monitoring Systems and Supplies
- » Insulin Pumps and Supplies
- » Test Strips and Glucose Monitors
- » Lancets and Lancing Devices

### Patient Support:

Solara offers our customers educational resources to help promote a healthy lifestyle.

- » Weekly tips and recipes
- » Monthly educational webinars and access to our team of Certified Diabetes Educators

## Convenience & Assurance

### Easy Referral Process:

Solara values its referral partners and understands the need for easy, quick, and reliable service. Our goal is to ensure a positive experience every time you work with us.

- » Access to referral forms or fully digitized electronic forms online at Solara.com
- » Fully automated and integrated patient workflow process that allows patients to receive their products and supplies in a timely manner

### Benefits of Using Solara:

- » Solara offers maximum convenience with door-to-door delivery. No more waiting in long lines at the pharmacy— *average wait time at a retail pharmacy is 45 minutes*
- » All products are in stock – *80% of the time the CGM is not in stock at the retail pharmacy*
- » Refills are easy – patients can place an order by phone, email, online or through Solara's proprietary refill mobile app, TRACE by Solara
- » Refill reminders—Solara will send a text, email, or place a phone call so that patients receive their products and supplies in a timely manner

### Quality Assurance:

Solara is accredited by Utilization Review Accreditation Commission (URAC), Community Health Accreditation Program (CHAP), Verified Internet Pharmacy Practice Sites (VIPPS), Accreditation Commission for Health Care (ACHC), and the Better Business Bureau (BBB).
